An advertisement of a lost mule in morning's paper.

OWAN & HERRING, VICKSBURG.—
is the style of a new firm, with
bers of which we have long and well
acquainted. They succeed Messrs. J.
Kay & Co. in the wholesale and retail
business, at the corner of Crawford
Washington streets. Capt. Cowan com-
and Co. G. in Vicksburg, and our
Herring was "high private" in the
shobang. They are now equal in rank,
to thoroughly reconstructed that they
to supply everybody with groceries,
liquors, &c. They are both excellent
men, and being exceedingly popul-
will necessarily do a good business. We
so, at least.

CITY.—We referred, several
since, to the lawlessness abounding in
city, and to the necessity for immediate
vigorous measures to put a stop to out-
rages that are now of daily occurrence. We
in the well-timed and pointed re-
solutions of the Mississippi, of yesterday, on
subject, and insist that a sufficient police
be at once appointed. That "the cor-
poration can't stand the expense," is an ar-
gument to which we have no patience to
listen, when the very lives of our citizens
are at stake. The fair fame of our city, are involved
with a less population, and quite
dearly, has a marshal and four regular
men. Jackson has a city Marshal and
Constable! No wonder that rowdy-
isms rampant. Our authorities will
be the thanks of the community for
action in increasing the police force
city.

FRESH ARRIVALS.—There is no in-
crease on record of a well-sustained system
advertising, failing of success;
this fact is appreciated by Messrs. Owen,
Kay & Co., who this morning announce
arrival of a large quantity of Western
goods. They invite the public to call,
and purchase.

The reader's attention is invited to
advertisement of Evergreen Nurseries at
New Orleans. Mr. H. W. Pierce of this place is
agent, through whom fruit trees
plants can be ordered.

A. C. Myers, late Quartermaster Gen-
of the Confederacy, is at Fontainebleau.

serious accident occurred on the
Mississippi and Ohio railroad, 12 miles
from Clarksville, by the giving away
of a trestle work—the locomotive
and all the cars, except the
engine car, being precipitated
down the opening. The accident
resulted in the death of three persons,
and the wounding of twenty others.

The Lower House of the North Car-
olina Legislature has referred a reso-
lution declaring it to be the sense of
the body that the Constitutional
amendment should be ratified.

UNDERSIGNED WOULD INFORM
citizens of Nashville and vicinity that
established an agency for the sale of the
"STOEFERS" ARTIFICIAL
justly pronounced by the Medical
profession, and those who have tried it, su-
perior to any similar invention in use. Its chief
advantages are simplicity, lightness and freedom of
movement. The construction is such that it
is taken apart and repaired if necessary,
and as it is of a number of pieces, so that it
does not exceed 1 1/2 pounds, so that it
travels with perfect ease, no matter how
travels while it is so constructed as to obtain
movements of the natural limbs, and
high degree of perfection. It is
made to work as in nature, and
the smallest article may be grasped. In
fact, it comes nearer filling the office of the
limb than anything of the kind extant.
All who have had the misfortune to
lose an arm, and examine specimens,
glad to receive orders from all portions
South.

SPECIAL NOTICES.

A New and Grand Epoch in Medicine.
Mr. MAGGIEL is the founder of a new Medical System! The quantarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extra-linear Pills, and cures the most virulent sores with a box or so of his wonderful and all-healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Magguel's Pills and Salve, have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Magguel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Magguel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Magguel's Salve. In fact, it is here announced that Magguel's Bitious, Dyspeptic and Diarrhoea Pills cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, Magguel's Salve is infallible. Sold by J. MAGGIEL, 11 Pine Street, New York, and all Druggists, at 25 cents per box.

MEMPHIS.

DR. SAMUEL GILBERT'S
PREPARATIONS.
DR. SAMUEL GILBERT, so celebrated as
having had for the last twenty-five years, in the
treatment of
CHRONIC DISEASES.

the most lucrative Medical Practice in the South
has at last consented to publish several of his most
valuable remedies to be prepared and sold as proprie-
tary medicines. This resolution has been engendered
by the repeated solicitations of those who have
experienced the benefit of his remarkable profes-
sional skill, and by the impossibility of giving
special attention to each of the written applications
made to him for prescriptions by those whose pecu-
niary circumstances or business habits preclude the
possibility of applying in person to him.

THE PUBLIC
May rest assured that the manufacturers spare
neither pains nor expense in the preparation of these
remedies. They are made of the very best
medicines known, in a highly concentrated form,
upon strictly scientific principles.

DR. SAMUEL GILBERT'S
GENERAL ALTERNATIVE

Acts directly upon the Glands and Mucous Mem-
branes—stimulating them to beneficial activity in
their natural functions of eliminating from the Cir-
culatory Fluids the nasal Effete (and in disease,
Morbid Matters, and expelling them through the
Skin, Kidneys, Liver, and Alimentary Canal from
the system. It is, therefore, adapted for the relief
of chronic diseases affecting those organs, and of the
mucous membranes lining them such as

ERUPTIONS, TETTER, ULCERS, SCROFULA

JAUNDICE, GOITRE,

CHRONIC INFLAMMATION OF BLADDER

AND UTERUS, ETC.

It is particularly useful in Suppressed Menstrua-
tion, Hereditary Taints, Syphilis, and malades arising
from long-continued use of mercury, Blue Mass,
Corrosive Sublimates, Fowler's solution, Donovan's
solution, and other preparations of mercury and arsenic.

DR. SAMUEL GILBERT'S
TETTER OINTMENT

Is an excellent preparation for the cure of that
class of malades usually termed

DISEASES OF THE SKIN,

and which are popularly known as Chronic eruptions,
Tetter, Pimples, Eruptions, Scabs, Scald-Head,
Milk-cream, Ring-worm, etc., etc.

It will also kill itch and other local vermin which
prey upon the skin. It softens and detaches the
excrementitious matter deposited upon the skin,
heals the cracks, blisters, and pimples, and renders
the cutaneous surface smooth and pliable. It has
been used by Dr. Gilbert with most satisfactory re-
sults, for many years. It is offered for sale, in this
style, from the firm conviction that it must neces-
sarily meet with the hearty approbation of those who
make use of it.

Full directions for the method of using these reme-
dies, a plain and accurate description of a number
of the different varieties of skin diseases, and many
valuable suggestions in regard to their cure, will be
found printed on circular accompanying each pack-
age. These suggestions are the fruit of most ample
experience acquired by Dr. Samuel Gilbert during
his extraordinary professional career in the treat-
ment of this class of diseases in the cities of Mem-
phis, New Orleans and New York, and will, it is
expected, enable most unprofessional persons to
treat their own cases with much greater success
than that which usually falls to the lot of ordinary
physicians.

DR. SAMUEL GILBERT'S
HEALING OINTMENT

Possesses peculiar tonic and astringent qualities
which cause it to be admirably adapted to the cure of
Various Kinds of Ulcers
Especially those which are of an indolent nature,
and which are usually denominated "Old Sores." It
is confidently believed to be much superior to any
other preparation made for similar purposes.

Full directions for the method of applying it, a
plain and accurate description of a number of the
different varieties of Ulcer, and valuable directions
in regard to their cure, will be found printed on the
circular accompanying each box, which renders it
it is hoped, will enable most unprofessional persons to
treat their own Ulcers with greater success than is
usually experienced from the attention of ordinary
physicians. Manufactured only by

SOMETHING NEW
UNDER THE SUN.

A NEW ERA IN MEDICINE.

Let the Suffering and Diseased read the
following.
Let all who have been given up by Doc-
tors, and spoken of as incurable, read the fol-
lowing.

Let all who can believe facts, and can
have faith in evidence, read the following.
**KNOW ALL MEN BY THESE PRES-
ents.** That on this, the Twentieth day of
June, in the year of our Lord, One Thousand
Eight Hundred and SIXTY-SIX, personally came
Joseph Haydrick to me, known as such, I and
being duly sworn, deposed as follows: "That
he is the sole general agent for the United States
and dependencies thereof for preparations or
medicines known as Dr. Magguel's Pills and
Salve, and that the following certificates are
verbatim copies to the best of his knowledge
and belief."

JAMES SMEITHRE,
Notary Public,
Wall Street, New York.

DR. MAGGIEL'S PILLS.

I take my pen to write you
of my great relief and that the awful pain in
my side has left me at last—thanks to your
medicine. Oh, Doctor, how thankful I am that
I can get some sleep. I can never write it
enough. I thank you again and again, and am
sure that you are really the friend of all suffer-
ers. I could not help writing to you, and hope
you will not take it amiss. JAS. MYERS,
116 Avenue D.

This is to certify that I was discharged from
the army with Chronic Diarrhoea, and have been
cured by Dr. Magguel's Pills.
WILSON HARVEY,
New York, April 7, 1866. 27 Pitt Street.

The following is an interesting case of a man
employed in an Iron Foundry, who, in pouring
molten iron into a flask that was damp and
wet, caused an explosion. The molten iron
was thrown around and on him in a perfect
shower, and he was burnt dreadfully. The fol-
lowing certificate was given to me, by him,
about eight weeks after the accident:

NEW YORK, Jan. 11, 1866.
My name is Jacob Hardy; I am an Iron
Founder; I was badly burnt by hot iron in
November last; my burns healed, but I had
a running sore on my leg that would not heal;
I tried Magguel's Salve, and it cured me in a
few weeks. This is all true, and anybody can
see me at J. H. HARDY'S, 241 A. St. N. Y. C.

J. H. HARDY, 119 Goerick Street.

Extracts from Various Letters.

"I had no appetite; Magguel's Pills gave me
heartiness."

"Your Pills are marvellous."

"I send for another box, and keep them in
the house."

"Dr. Magguel has cured my headache that
was chronic."

"I gave half of one of your Pills to my babe
for cholera morbus. The dear little thing got
well."

"My nausea of a morning is now cured."

"Your box of Magguel's Salve cured me of
noises in the head. I rubbed some of your
Salve behind my ears, and the noise left."

"Send two boxes, I want one for a poor
family."

"I enclose a dollar, your price is 25 cents, but
the medicine to me is worth a dollar."

"Send me five boxes of your Pills."

"Let me have three boxes of your Pills by
return mail."

I HAVE OVER 200 SUCH TESTIMONIALS.
As this, but want of space compels me to con-
clude.
